

Asteroids::UI::ClientText
UI::ClientTextUIInterface::run

main

```
graph RL; main[main] --> client[Asteroids::UI::ClientText<br/>UI::ClientTextUIInterface::run];
```

The diagram illustrates a call from the `main` function to the `Asteroids::UI::ClientTextUIInterface::run` method. A blue arrow points from the `main` box on the right to the `Asteroids::UI::ClientText` box on the left.
