

Asteroids::UI::UIFactory
Interface::createServerTextUI

main

```
graph LR; main[main] --> UIFactory[Asteroids::UI::UIFactory Interface::createServerTextUI];
```

The diagram illustrates a function call. A box on the right labeled 'main' has a blue arrow pointing to a larger box on the left. The left box contains the text 'Asteroids::UI::UIFactory' and 'Interface::createServerTextUI'.
